Dear Resident:

Ever get that anxious, sinking feeling in the pit of your stomach when you hear the sirens of fire engines coming through your neighborhood? Unfortunately, it happens at least once a year in every neighborhood throughout Ewing Township. One of those calls could be from you!

We are the volunteers of Pennington Road Fire Company. Our organization takes great pride in the fact that we have been providing fire protection to the residents of Ewing Township since 1924. During the past seven years Ewing Township has been able to supply us with money to help us with our daily operations. However, that money does not cover all of our expenses.

Your donation will help us offset the rising cost of education and training as well as spreading the message of fire safety awareness throughout our community. Due to state and federal requirements, it has become difficult and expensive for volunteer fire companies to maintain a high rating. A low rating would mean you would have to pay to higher insurance premiums. So, in essence, your donation helps us provide you with the highest quality of fire protection you deserve and at the same time saves you on your insurance premiums. Please help us help you!

Your cancelled check is your receipt. Please donate by check with the notation "2008 Fire Fund Drive" in the memo area. For IRS and tax purposes, this letter and your cancelled check are your confirmation and documentation of financial support.

Thank you.
